Count the Eggs – Nest Number Activity

This fun and engaging activity includes a set of nests, each showing a different number of eggs from 0 to 10.
Also included:

🥚 2 blank nests for open-ended play or extra challenges

Perfect for springtime or Easter-themed learning, this activity helps children practise:

✓ Number recognition
✓ Counting skills
✓ One-to-one correspondence
✓ Early maths vocabulary

Use alongside counters, markers, or even real mini eggs for a hands-on twist!
